MIXED UP SHEETS OF PAPERS

CAME A LONG WAY TO DANCE

Lucille Winton and her friend, Miss Maurice Hahn of Howell, N. M., arrived in Columbus Saturday to attend a dance given by a host of her acquaintances. The young ladies departed for Howell Sunday.

Mrs. Wm. Robinson was hostess at the monthly social meeting of the Phillis Wheatley Literary and Art Club held last Friday evening at the 24th Infantry Service Club. An enjoyable program was offered by the many members present, after which dancing was indulged. A salad course was served.

EXTENDS THEIR APPRECIATION

The members of the 24th Infantry and management of the Service Club extend their hearty appreciation to the local branch of the American Red Cross for flowers donated for the memorial exercises at the camp Sunday morning; Sgt. Ware, Sgt. Perrell and members of the medical detachment of the regiment for their ready co-operation, and in addition the city of Columbus for \$25. Sam Fren, \$1, and W. C. Franklin, \$1, all toward making the memorial services a success.

STANDING ROOM HOUSES DAILY

The Columbus and Oxyx theaters in this city are outdoing themselves in giving the public "big" pictures. Nowhere in this country does the public see good pictures at prices prevailing here. The real reason for this is that the managers realize that there is just about as much "show" money to be spent each week in Columbus and to get this they vie with each other in trying to secure the best attractions. Every visitor in Columbus when returning from the movies make the remark that they would have to pay twice as much to see the same show in any other city.

"HAIL, HAIL, GANGS ALL HERE"

They may not sing it, but they'll believe it when they look at each other in the bleachers, reserved and outside seats at Lieutenant White's boxing carnival Thanksgiving afternoon at the 24th arena in Camp Fanning. Marshall Jackson is the bout's right-hand man and Marshall has been busy suggesting changes in the arena, the rearrangement of the seats and placing of seats on raised platforms. He is also handling the advertising and a band leader of a crowd will be on hand. Wright, Jones, Ross, Hayden, and a bunch of others will make up the 47-47, "count 'em, rounds of fighting. Old Bill Jones, the weather man, predicts warm weather.

STAR RESTAURANT GOES OUT OF BUSINESS

A landmark in Columbus is about to be removed, the Star Restaurant. Mrs. Ida Martin and Mrs. Hopkins were famous for their dinners and steaks, and for a long time they have catered to the inner wants of the citizens of Columbus. Around the tables of the Star there were gathered hundreds of times coteries of army officers, business men and operators—all kinds of operators—who solved the leading questions of the town or day to their own and others' satisfaction. There the layman gained knowledge how to distinguish a case, how to penetrate the minds of lawyers and how to successfully manage any business from a blackjack game to a department store. The Star Restaurant will be missed. Mrs. Martin and Mrs. Hopkins will visit in Arizona and then go to California and the best wishes of their patrons go with them.

PUBLIC HARD TOO SATISFY.

When the present management of the Columbus Courier took charge one year ago it was customary for a new subscriber to remark: "I quit taking the Courier because there was nothing in it worth reading." Now the new subscriber or the "renewal" says there is too much reading matter and news in the paper. "When I take the Courier home there is invariably a fight in the family as to who will read it first."

The rotary drill of the Angelus Oil Company is going down at the rate of 100 feet a day, which is going down faster than any drier ever did in this section of the country. At this rate the hole will soon be known either as a blower or a hummer.

QUITE SO!

"We seem to have plenty of exhorters against the 'crime' of card playing and other 'questionable' amusements, but fighters against real evils in Denning have been about as scarce as hen's teeth.—Denning Graphic.

FIRE GOVERNOR'S SON GAME WARDEN SUSTAINED

State Record, Santa Fe. After a hearing this week at which Governor Larraneta examined several witnesses in his case against State game warden Gable, for removal for neglect of duty, Governor Larraneta dismissed his case and informed Mr. Gable that the matter was ended.

Charges grew out of the fact that Mr. Gable was absent from his office about 25 days during October, including the first two or three days of November and that on his departure he had instructed the chief clerk to remain in his office and attend to the duties.

Mr. Gable was in Goffa county where he was the republican county chairman.

J. M. Larraneta, the chief clerk, who is a son of Governor Larraneta, remained in the office for some days after Mr. Gable's departure and then he went out to campaign. About the first of November Mr. Gable wired Chief Clerk Larraneta dismissing him as chief clerk.

The Courier prints the NEWS.
